Armory Center for the Arts presents

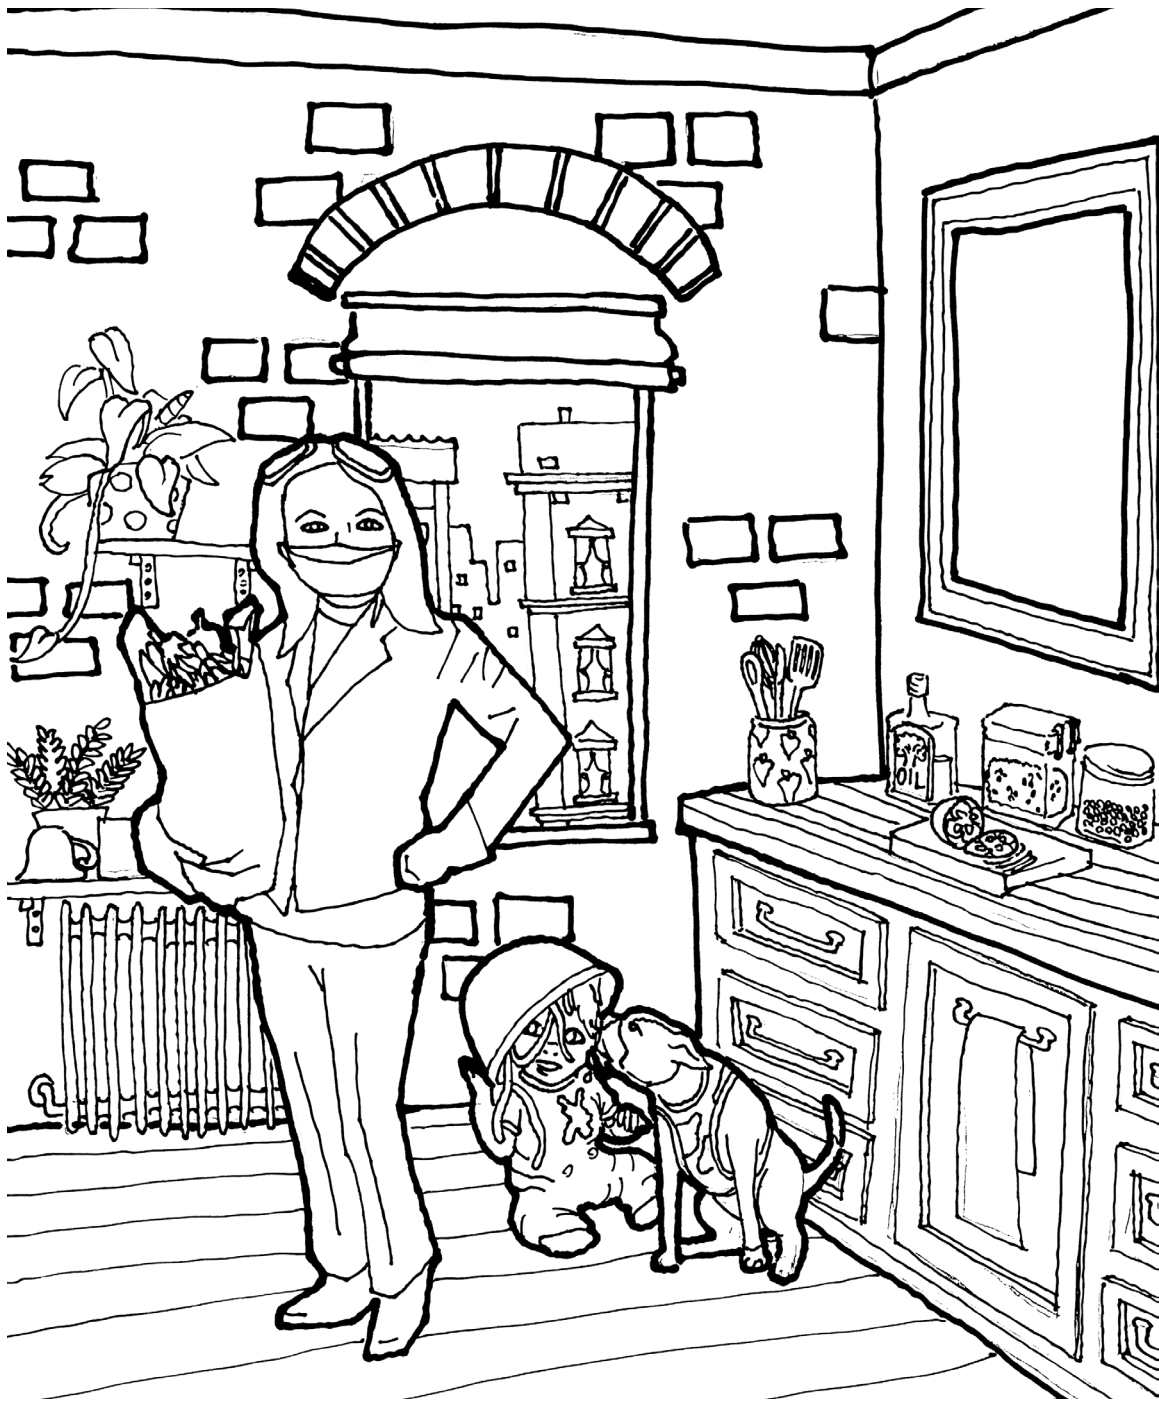

HOME

A Coloring Book for All Ages

Featuring original illustrations by the Armory's Teaching Artists

Artwork: The Calverton Family Stays Safe at Home
by Matt MacFarland

Superhero by Jeffrey Maurer

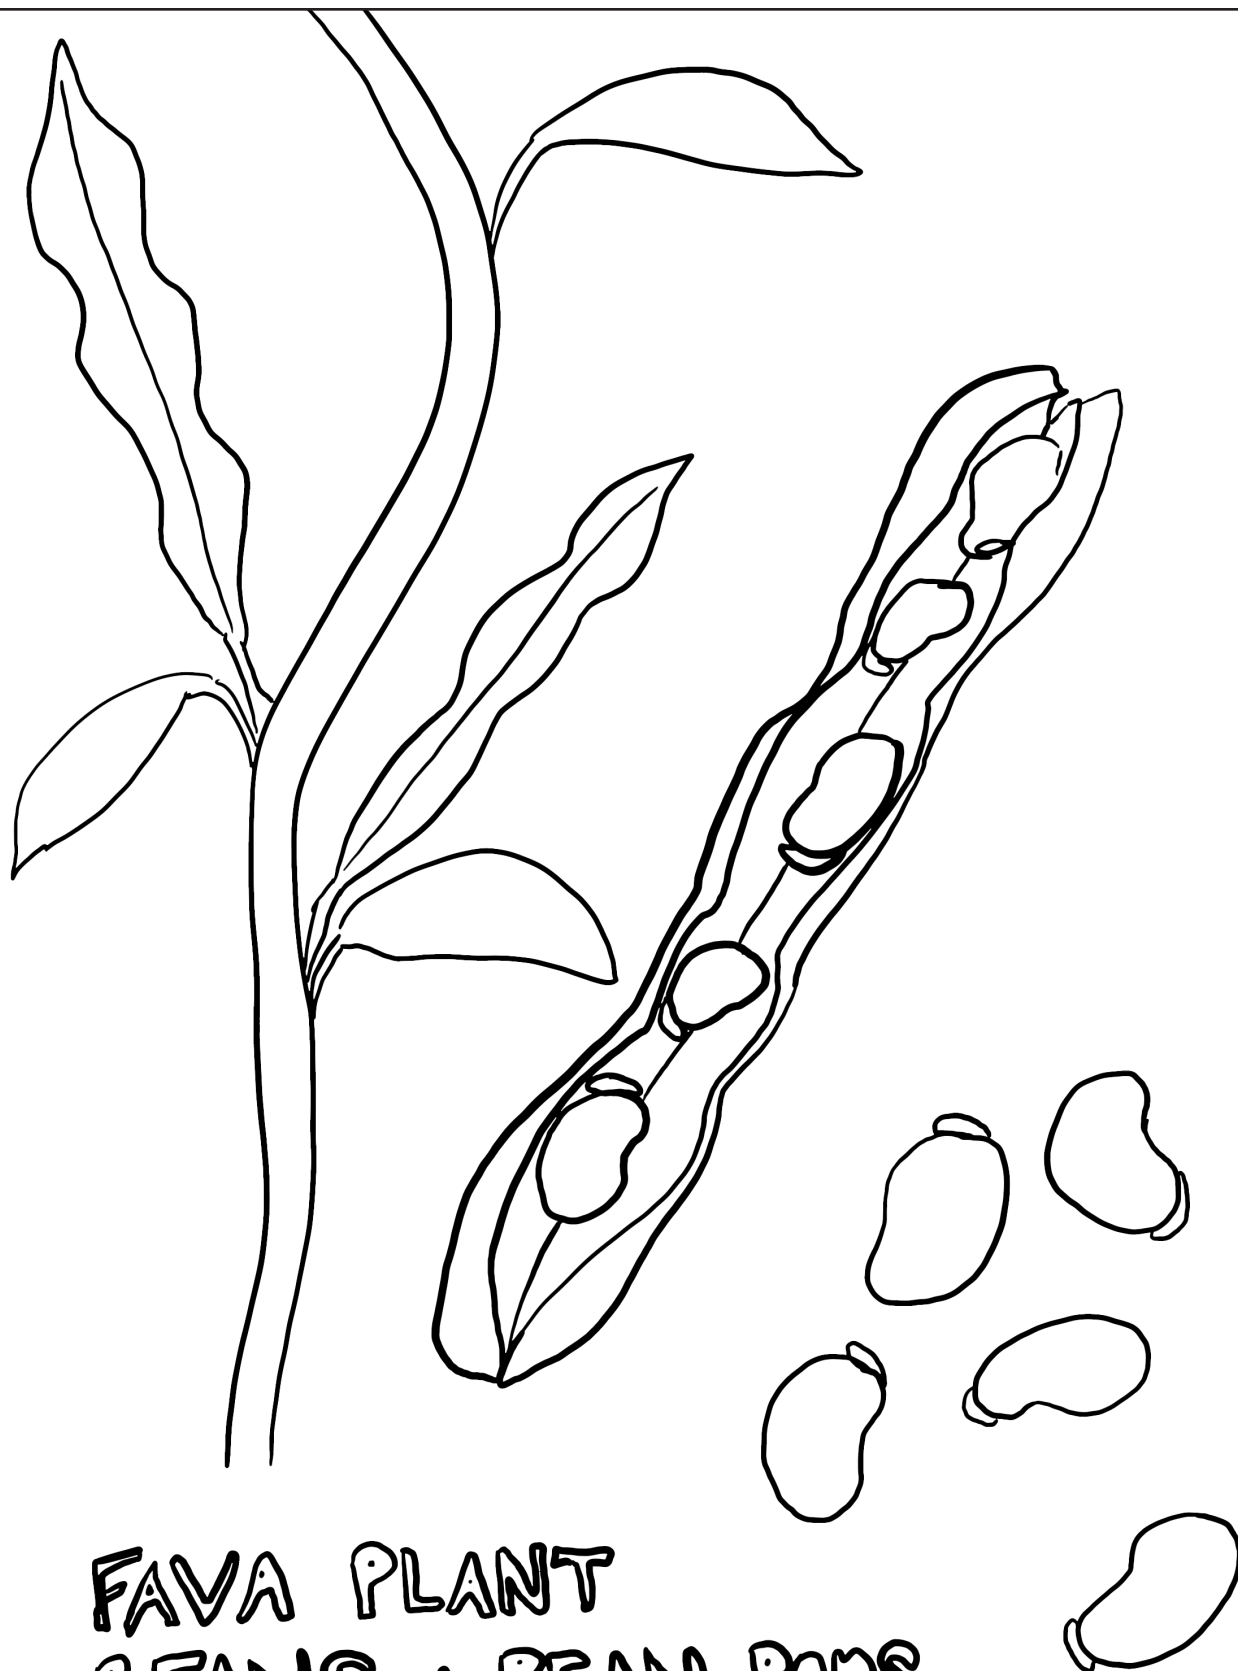

This coloring book is a collaborative effort of the Teaching Artists at Armory Center for the Arts in Pasadena, California. We invited our faculty to each create an illustration representing their personal interpretation of “Home,” a relatable theme especially in light of the “safer at home” orders the entire planet is experiencing during this pandemic. We hope this opportunity to interact with original illustrations by Armory Artists will give you inspiration and help you feel nurtured, nourished, and renewed.
